

AGRUMIT GEL

HAND WASHING CREAM WITH MICROGRANULES

Specific for resistant dirty
Scrub suitable for frequent washing
Leaves hand soft and pleasantly scented

APPLICATIONS Innovative and specific hand washing fluid cream for quick and deep cleaning. Recommended for stubborn dirt, typical of workshops.

FEATURES Dermatologically tested product, thanks to the formulation added with glycerin and protective agents, it cleanses without irritating the skin and causing cracking. Viscous liquid easy to dose, leaves hands soft and pleasantly scented, suitable for frequent use.

INSTRUCTIONS FOR USE Apply the product on dry hands and rub until the dirt is completely removed, adding water little by little. Rinse thoroughly. The special dispensers allow to avoid hygiene problems, such as the promiscuous handling of soap or hand washing pastes.
