

TECNET MOVE GREASY

FOAM DETERGENT FOR GREASES

Removes carbonized residues from ovens and grills

Forms a clinging foam

Usable also for soaking

APPLICATIONS

Product formulated to penetrate, remove and dissolve without rubbing all animal fats, carbonized dirt, protein residues and other oiliness from ovens, cooking plates, grills, worktops, equipment, stainless steel hoods, floors and walls.

FEATURES

Quick-acting formula; thanks to the high alkalinity, it allows considerable savings of time and energy in cleaning operations. Sprayed pure with the special dispenser, it forms a dense clinging foam capable of removing even the most resistant carbonized dirt. Also usable by immersion, it removes heavier greasy stains. Suitable for removing greasy sludge in workshops and garages.

INSTRUCTIONS FOR USE

We recommend using the product as indicated below:

For cleaning floors and tiles: dilute 5 g of product per liter of water

For cleaning ovens: spray pure with a special dispenser

By immersion: solutions 1 - 5% in water depending on the type of dirt

PACKAGING:	Packaging		Pcs x box	Boxes x pallet	Pcs x pallet
	Bottle	ml 750	9	72	648
