

ENERFOR POLISH STEEL

STAINLESS STEEL CLEANER AND POLISH

Specific for satinated and polished stainless steel

Polishes hobs, food dispensers, fridges, lifts

Protects the treated surfaces

APPLICATIONS

Product with strong filming power for steel and other metal surfaces.
Designed for polishing operations on hobs, sinks, steel surfaces, dishwashers, elevators, cash registers in stainless steel and satin finish.

FEATURES

High active balanced product, ideal for protecting hard surfaces.
Gives shine and prevents oxidation and blackening of sweet metals.

INSTRUCTIONS FOR USE

We recommend using the pure product on dry surfaces as follows:

- Spray the product on the surface to be cleaned
- pass with dry cloth or paper cloth until it is completely spread on the surface
- if the surfaces show heavy or encrusted dirt, use a degreasing product beforehand
- for copper, brass and silver deoxidize and proceed with polishing
