

POKET DENSOCHLOR

DENSE BLEACH

Dense formula without splashes

Multipurpose bleach

New eucalyptus scent

APPLICATIONS

Cleanses, removes stains, deodorizes and guarantees protection for the home and for the laundry. Suitable for use on non-porous surfaces: kitchen environment surfaces (sinks, hobs, work surfaces), bathroom (bathtubs, shower stalls, toilets, tiles and taps) and all washable surfaces (ceramic floors, stoneware and marble, door and window handles, tables and desks, etc.).

FEATURES

Chlorinated product in water-soluble gel, easy to dose thanks to its dense formula, designed to reduce splashes. Suitable for cleaning and sanitizing vertical surfaces. Slightly foaming formulation, it guarantees the cleaning of all surfaces, leaving a pleasant scent in the environment.

In the washing machine, it guarantees thorough hygiene on the laundry.

INSTRUCTIONS FOR USE

For bathroom and kitchen: apply the pure product directly on the surface, leave to act for 1 or 2 minutes, wipe with a sponge and rinse thoroughly with water.

For surfaces and floors: dose 90 grams of product per litre of water. Maintain contact time of at least 1 minute. Due to the unstable nature of SODIUM HYPOCHLORITE, double the dosage in the hottest periods.

For laundry: dose in pre-wash or first rinse 40/150 g of product per kg of dry laundry. For best results, do not pour the product together with the detergent. In case of difficult stains, pour the product directly onto the stain until it is completely covered, leave to act for a maximum of 3 minutes and wash immediately. Test the product on a hidden part before use

Avoid contact with carpets, coloured fabrics, wallpapers. Do not use on wood, aluminium and painted surfaces.
