

POKET HOLA'

ENZYMATIC LAUNDRY DETERGENT

Hand and machine washing
Suitable for all kind of white and coloured fabrics
Floral scented

APPLICATIONS

Liquid detergent suitable for all types of water, to be used in the pre-wash and in the washing machine.
Non-irritating product for the skin, therefore it can also be used by hand and for soaking laundry.

FEATURES

Product complete with wetting surfactants, enzymes and sequestrants, it performs an effective degreasing action on fabrics even in the presence of hard water.
The special formulation, free of optical bleaches, makes it suitable for use for colored garments.
Designed to work in both cold and hot water, it leaves the garments pleasantly scented.
The high viscosity of the product makes it suitable for manual dosing.
