

POKET NO INK

CLEANER FOR INKS COMPLIANT WITH CAM CRITERIA

Removes ink stains, marker, gum, oils and greases
 Complies with GPP/ CAM regulations
 Degreaser for all surfaces and fabrics, active on resistant stains

APPLICATIONS

Cleaner for school desks and where there are traces of ink.

FEATURES

Particularly effective formulation for the removal of inks, it combines a high degreasing power with a very low residuality. Suitable for removing rubber and heels marks from floors, glue residues and adhesive tapes; suitable for use on fabrics, as a pre-treatment to remove ink stains. When dry, it does not need to be rinsed.

INSTRUCTIONS FOR USE

We recommend using the product as indicated below:

To remove indelible ink, stamps and markers:

Spray the product directly on the surface to be cleaned, leave to act for a few seconds, remove with disposable paper.

For difficult dirt:

Spray the product directly on the surface to be cleaned, leave to act for a few seconds, rinse with a sponge cloth. Repeat the operation several times if necessary.

For plates, cooking grills, stoves, ovens and hoods:

Spray the product directly on the surface to be cleaned, let it act for a few seconds, rinse and dry with disposable paper or cloth.

Avoid direct contact with food.

As a pretreatment for fabrics:

Spray the product directly on the stains and gently rub the fabric. Leave to work for a few seconds and wash with warm water by hand or in a washing machine.

Always check the resistance of the fabrics on a hidden portion
