

SOLARIS SANIFIX

EFFERVESCENT CHLORINE TABLETS

Effective on organic and coloured stains

Easy to transport and measure out

Suitable for all washable surfaces

APPLICATIONS

Sanitizing, detergent, degreasing, bleaching and deodorizing.

Usable for hard surfaces, kitchens, floors, bathrooms, toilets, dishes, linens, trash cans, hand wash, sanitary ware...

FEATURES

Suitable for use in all sectors, it guarantees time savings, thanks to its dual function and the particular formulation in tabs, which simplifies the dosage operations.

It prevents pollution of the workplace by avoiding spills, limits the problems related to the handling of loads and reduces the risk of operator contact and injury.

Each tabs releases 150 ppm of active chlorine in 10 l of water.

INSTRUCTIONS FOR USE

We recommend using the product with the following dosages:

For systems and tanks: dissolve 2/3 tablets in 10 l of water, leave to act for 10 minutes and rinse

For floors: dissolve 1 tablet in 10 liters of water, clean the surface normally, leave on for 5 minutes and rinse

For toilet: dissolve 1 tablet in the toilet bowl and leave for 10 minutes, then drain

For waste bins: dissolve 3 tablets in 10 l of water, apply on the surface, rub and leave for 10 minutes, then rinse

PACKAGING:	Standard packages		N° pieces for carton	N° cartons / packages for pallet	N° pieces for pallet
