

# SH FOAM

## FOAMING DESCALER

Eliminates calcareous residues and rust

Effective for cleaning brass and copper objects

Hydrochloric acid free

### APPLICATIONS

Product suited for elimination of residues insoluble in water without damaging the treated parts. Specific for limestone residues, rust and organic dirt removal.

### FEATURES

Descaler high-foaming detergent containing phosphoric acid.

### INSTRUCTIONS FOR USE

For toilets cleaning:

Pour the product on a wet sponge and apply on to the walls to treat. Leave on some minutes and then wash away. **USE ONLY ON ACID-RESISTANT FLOORS.** Always verify the surfaces resistance to the product.

For floors cleaning:

Dilute 2 or 3 coffee cups in 10 litres of water, spread over the floor, leave on for some minutes and wash away. **USE ONLY ON ACID-RESISTANT FLOORS.** Always verify the surfaces resistance to the product.

For brass and copper objects cleaning:

Dilute 200 gr of product in 1 litre of water, soak for 30 minutes and wash away. Always verify the surfaces resistance to the product.

Other applications:

Dilute in water depending on the quantities of dirt to clean. Soak for 10 minutes and wash away
