

Tecnet KIR POWDRE

WASHING UP POWDER

Concentrated powder detergent

Micronized powder, easily soluble

Suitable for use in hard water

APPLICATIONS

Foaming powder detergent for manual dishwashing.

FEATURES

The concentrated formula guarantees the elimination of fat and grease from plates, pots, glass, plastic and crockery in general.

The product is complete and maintains functionality even in hard water.

Pleasantly scented, it can also be used for soaking dishes. Micronized powder, dissolves easily in water without leaving residues.

ISTRUCTIONS FOR USE

We recommend using the product as indicated below:

QUANTITY OF USE

Water hardness in °F	SOFT 0-15	MEDIUM 15-25	HARD >25
Dosage per l of water	2 - 3 g	4 - 5 g	> 5 g

In hard water add 1 g of product each 5 °F

The best results are obtained in hot water. Immerse the dishes in the detergent solution, scrub with a sponge, fiber or brush.
