CARPET AND MATS STAIN REMOVER

Water based spotter
 Contains deodorizing agent
 Removes grease and coloured spots

APPLICATIONS

Water-based stain remover for the removal of all types of stains from carpets, rugs and upholstery. Particularly effective for the removal of pigmented spots.

FEATURES

Ready to use specifically for the removal of pigmented spots from carpets, rugs and upholstery.
 Particularly effective on water-based stains such as sauce, coffee, ketchup, wine and blood, it exerts an extremely rapid cleansing action thanks to the high concentration of surfactants.
 Contains oxidizing and odor neutralizing agents, destroys the molecules that cause bad odors, leaving a pleasant apple scent in the environment.

INSTRUCTIONS FOR USE

Remove the solid part of the stain with a stiff brush and remove the residues with a vacuum cleaner, sponge or paper. Spray the product as it is on the stained area, keeping the bottle at a distance of about 15 cm. Leave to act for about 1 minute and dab the treated area with a clean cloth starting from the outer edge to avoid spreading the stain. Wipe the treated area with a damp sponge and remove the foam. If necessary, repeat the operation. Allow the treated area to dry and vacuum thoroughly.

Always check the resistance of the color in an inconspicuous place before application
