

TECNET FLOS EMULSION

DEGREASER ADDITIVE FOR LAUNDRY

Specific for synthetic and mixed fabrics

Grease and oil emulsifier

Contains orange terpenes as a natural solvent

APPLICATIONS

Specific laundry degreasing additive for removing heavy dirt; finds application for washing both cotton and synthetic tablecloths.

FEATURES

Strongly degreasing liquid detergent, emulsifying action able to effectively remove oil and grease stains from mixed or fully synthetic fabrics.

Formulated with surfactants with high wetting power, it penetrates the fibers removing stains and preventing redeposition.

Thanks to a particular additive it allows to maintain the whiteness and increase the resistance of the fabrics to stains.

Also suitable for removing ointments and sunscreen from wipes and work clothes.

INSTRUCTIONS FOR USE

Product suitable for use in all types of water.

We recommend using the product as indicated below:

for washing synthetics and sponges:

add 2 g / kg of dry laundry during washing.

for the recovery of the washing waste:

add 8 g / kg of dry laundry during washing.
