

TILIUM MINTSOAP

DELICATE SANITIZING HANDWASHING LIQUID SOAP

Sanitizing detergent

Without perfume or colourants

Delicate on the skin

APPLICATIONS

High active hand wash basin suitable for cleaning and sanitizing action; it is naturally used in hospital environments, in the food industries and in communities.

FEATURES

Product free of dyes and perfumes; thanks to the formulation at neutral pH and with the addition of amphoteric surfactants, it cleanses without irritating the skin. Viscous liquid easy to dose, leaves your hands soft, suitable for daily hygiene. The product is suitable for H.A.C.C.P.

ISTRUCTIONS FOR USE

Dose the product on dry hands, leave for at least 2 minutes and rinse with warm running water (30-40 ° C).
Dry with disposable paper by dabbing and not rubbing the skin.

It is advisable to apply with special dispensers that allow you to avoid hygiene problems, such as the promiscuous handling of the soap.
